LIFE & Discovery Membership

1 West 2nd Street • Frederick, MD 21701

Join Us!

We welcome your participation in our programs and would love for you to become an active part of our organization! **Become a charter member of LIFE & Discovery.** Help us to

continue our mission of promoting Asian culture, improving access to services in our community, and providing educational resources.

Charter members of **LIFE & Discovery** receive regular e-mail updates announcing our programs and upcoming events, invitations to both special and general activities, complimentary tickets to our Lunar New Year celebration and discounted tickets for other major functions. Charter members are also eligible to stand for elected office.

Most importantly, your membership not only helps to support our programs, it provides funds for memberships to those who cannot afford it, within the Frederick community and beyond. A \$25 general membership donation pays for two education classes per child, and a \$100 membership donation allows five families to receive regular memberships in LIFE & Discovery. Join us!

LIFE & DISCOVERY: Learning Institute for Enrichment & Discovery

LIFE & Discovery is a non-profit community and education-based agency that seeks to promote

Asian culture throughout Frederick County, Maryland, providing educational resources, outreach programs, and health and human services. **LIFE & Discovery** strives to improve access to these

services in our community. We offer teachers, students and families diverse courses which include programs in personal growth, academic acceleration, health advocacy, and life skills enrichment. Our goal is to continue to develop unique opportunities for children and adults who love learning and appreciate ethnic diversity.

Board Member

Our Programs & Events

LIFE & Discovery creates dynamic, cost-effective, fun, and informative programs for children and adults. They include:

- **Chinese Odyssey**—a customized program for use in schools. We currently offer classes during the school day and after school. Children learn the Chinese language and culture through conversation, song, stories, games and more. Instruction is delivered through multi-media
- **Explore Japanese/Korean**—biweekly language and culture programs for students
- **Chinese Wonderland**—a parent and child class for ages 4-6, teaching the Chinese language through music, games and song
- **Lunar New Year Celebration**—an annual event celebrating Asian communities, incorporating music, dance, and culture
- **STARTALK Chinese Studies Summer Center**—a collaborative program with FCPS and others, this national initiative is supported by the Department of Education and other U.S. Departments
- **Asian Health Fair**—an annual community event that provides health screenings and numerous health care resources
- **Asian Heritage Month**—an annual special tribute to Asian culture in Frederick County
